Lonely Planet Dominican Republic (Travel Guide)

Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet Dominican Republic is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Follow in the footsteps of conquistadors in Santo Domingo, claim a spot in the sand at Playa Rincon, or dance merengue till the wee hours at a Santiago bar; all with your trusted travel companion. Get to the heart of the Dominican Republic and begin your journey now!

Inside Lonely Planet's Dominican Republic Travel Guide: Color maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local, avoiding crowds and trouble spots Essential info at your fingertips - hours of operation, phone numbers, websites, transit tips, prices Honest reviews for all budgets - eating, sleeping, sight-seeing, going out, shopping, hidden gems that most guidebooks miss Cultural insights give you a richer, more rewarding travel experience - including cuisine, history, art, architecture, music, dance, sport, politics, landscapes, wildlife Over 28 maps Covers Santo Domingo, Playa Rincon, La Vega, Damajagua, Cabarete, Punta Cana, the Peninsula de Samana, Lago Enriquillo, Pico Duarte and more

The Perfect Choice: Lonely Planet Dominican Republic , our most comprehensive guide to the Dominican Republic, is perfect for both exploring top sights and taking roads less traveled. Looking for more coverage? Check out Lonely Planet's Caribbean Islands guide for a comprehensive look at what the whole region has to offer. Authors: Written and researched by Lonely Planet, Michael Grosberg and Kevin Raub. About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveler community. Lonely Planet covers must-see spots but also enables curious travelers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Customer Reviews

What you would expect from Lonely Planet a good basic guide to all the well known places in the D R. This is the latest version and updated in October 2014 and the only disappointment for me with the book, which is why I lack a bit of confidence in it, was that the Chikungunya virus didn't get a single mention in the health and safety part of the guide. This is THE biggest health and safety story in the country over the last year or so. The virus arrived in the DR in December 2013. So either the authors haven't been here as recently as they claim or they didn't talk to any Dominicans when they were here.

There are several other travel books that are better organized and actually have pictures. This book is basically a list of every restaurant, place to stay and thing to do but doesn't rate each thing as far as a "have to see" like other books. Won't ever buy another Lonely Planet travel book again.

Great resource for travel.

You can't go wrong with Lonely Planet. This guide is very complete and accurate. The recommendations and descriptions of restaurants, hotels and stores are up-to-date. I helped me choose a plan for a limited stay in the country, and gave me various options for unconventional, non all inclusive like beaches.

There is not a lot you can use from this book. You can find more info from Google. Better Google what you're looking for.

Easy to read and small enough to take on vacation with me when I went to the DR. Gives a great overview of all the hot spots throughout the DR. I went to the local book store and found that this book has the BEST overall description of the country!

Provide lots of information and things to do for recent vacation.

LP never lets me down, and this is no exception! Has great suggestions from cheap to classy/expensive. They made it easy to plan my trip and provided the material in a non bulky form. I won't ever use another travel guide again.
