International Human Resource Management: Policies And Practices For Multinational Enterprises (Global HRM)

Synopsis

Thoroughly updated and expanded, the fifth edition of International Human Resource Management focuses on international human resource management (IHRM) within multinational enterprises (MNEs). The book has been designed to lead readers through all of the key topics of IHRM in a highly engaging and approachable way. In addition to the key topics and rich pedagogy students have come to expect, chapters have been updated, including an expanded chapter on Comparative and National Culture. Uncovering precisely why IHRM is important for success in international business, and how IHRM policies and practices function within the multinational enterprise, this comprehensive textbook provides an outstanding foundation for understanding the theory and practice of IHRM. It is essential reading for all students, instructors, and IHRM professionals. Instructor resources can be found at http://routledgetextbooks.com/textbooks/_author/globalhrm/

Customer Reviews

"International Human Resource Management, 5e by Ibraiz Tarique, Dennis Briscoe and Randall Schuler has long been regarded as one of leading resources in the field. This new edition reinforces that reputation and brings the content up to date with contemporary trends in research and practice. Written by three of the leading scholars in the area, the volume is distinguished by its combination of insights from academic research and rich insights into IHRM in practice. It is comprehensive, accessible and authoritative, and should be required reading for any student or reflective practitioner of IHRM." —David Collings, Dublin City University, Ireland, and Senior Editor of the Journal

of World Business "This excellent book, a leader in the field, comprehensively covers the field of International Human Resource Management and focuses on the HRM issues and challenges facing firms as they internationalise their business operations. Each chapter provides a clear exposition and critique of the specialist literature, and case studies are used to provide rich insights into current practice. The combination of sound theory and examples from practice around the globe provides an important and up to date contribution to the field. The book is well geared to students interested in the international dimensions of HRM, and the excellent links between international strategy and HRM give students an in depth knowledge of the people management challenges faced by MNC managers in a globalised business world." –â œHugh Scullion, Established Professor of International Management, Cairnes School of Business and Economics, NUI Galway, Ireland

Ibraiz Tarique is an Associate Professor of Management and Director of Global HR programs at the Lubin School of Business, at Pace University in New York City, USA. He teaches at the executive, graduate, and undergraduate levels. Dennis Briscoe is Professor Emeritus of International Human Resource Management at the University of San Diego, USA, and owner/consultant at International Management and Personnel Systems (IMAPS). Randall Schuler is Distinguished Professor of Strategic International Human Resources at the School of Management and Labor Relations at Rutgers University, USA, and Research Professor at the Lancaster University School of Management, UK, as well as the University of Zurich, Switzerland.

If it's required, just rent the book. If you are serious about HR, or even if you are just taking as an elective, this is not one of those books you just need sitting around the house. It is literally just HR from a global perspective.

Excellent.
