Asterix Omnibus 8: Includes Asterix And The Great Crossing #22, Obelix And Co. #23, And Asterix In Belgium #24

Synopsis

Asterix fans can now enjoy books 22 through 24 together in one paperback! A storm blows our historical hero way off course in Asterix and the Great Crossing. Caesar sends Caius Preposterus, graduate of the Latin School of Economics, to corrupt the indomitable Gauls in Obelix and Co. And the Gauls compete with the Belgian tribes to determine who is the bravest in Asterix in Belgium.

Customer Reviews

A cartoon drawn with such supreme artistry, and a text layered with such glorious wordplay, satire and historical and political allusion that no reader should ever feel like they've outgrown it. •TIME OUTThe Asterix books represent the very summit of our achievement as a literary race. In Asterix one finds all of human life. The fact that the books were written originally in French is no matter. I have read them all in many languages and, like all great literature, they are best in English. Anthea Bell and Derek Hockridge, Asterix's translators since the very beginning, have made great books into eternal flames. •THE TIMES

René Goscinnny was born in Paris in 1926, and spent most of his childhood in Argentina before eventually moving back to Paris in 1951. He died in 1977. Albert Uderzo was born in 1927 in a small village in Marne, France. He met René Goscinnny in 1951 and on October 29, 1959, their most

famous creation, Asterix, made his first appearance on page 20 of Pilote. Asterix the Gaul, their first album, was published in 1961 and there have now been 35 Asterix albums.

Loved these books as a kid (grew up in Europe.) Excited to find them in "Omnibus" format (3 in 1) to make them more economical. Love reading them with my daughter.

We have all the others in the series up until this one; it's hard to say this is any better or worse, I just love that it keeps my son reading. The plots do a great job of being original (not repetitive) and since they're set in European history, have accidental educational value too.

The best Asterix adventures I have ever read, actually with the Thompson twins from Tintin!! I really enjoyed it. Rating: 10,000,000,000,000,000,000,000,000 stars out of 5.

Interesting Comics!

Love these characters.

Like it

Great reading for the whole family

Another excellent book for my Asterix collection. These characters opened the fascinating world of reading for me 30 years ago and they are still bringing a smile to my face now
