Afghanistan To Zambia: Chronicles Of A Footloose Forester

Synopsis

Not one to miss an opportunity to see what was nearby; a restless tropical forester scheduled or planned trips to or through nearly 100 countries during his working career. Afghanistan was the first country he jotted notes about, and when his official duties later took him to Zambia, the title *Afghanistan to Zambia: Chronicles of a Footloose Forester* began to emerge as his memoirs. This personal memoir is about capturing in print the more vivid reveries of over 80 countries; and some themes that form his viewpoint about what he saw and did there. It was never intended as a travelogue or historical account, merely as a receptacle of personal adventure stories. Thus, as he wandered and crisscrossed the globe over a span of four decades, he was not overly concerned about a chronological order. In the case of Viet Nam and Haiti, however, it spurred two or three chronicles that serve as poignant accounts of both past and present.

Book Information

Paperback: 328 pages

Publisher: AuthorHouse (June 29, 2010)

Language: English

ISBN-10: 1452031517

ISBN-13: 978-1452031514

Product Dimensions: 6 x 0.7 x 9 inches

Shipping Weight: 1 pounds (View shipping rates and policies)

Best Sellers Rank: #6,721,056 in Books (See Top 100 in Books) #97 in [Books > Travel > Africa > Zambia](#) #296 in [Books > Travel > Asia > Afghanistan](#) #25938 in [Books > Biographies & Memoirs > Travelers & Explorers](#)

Customer Reviews

A self-described Footloose Forester, the author prefers to play the role of an observer of people, places, events and phenomena; especially in the natural world. He writes in the third person for the purpose of focusing on the stories, not the story teller. The Footloose Forester had the opportunity to work, to travel, and/or to live in dozens of countries during his decades "On the road....again!" He hopes that readers will find a few of his observations interesting enough to explore some of the 270 vignettes that he has already published as short stories in [LegacyStories.com](#); and elsewhere. Many more are in his personal files, waiting to be shared.

Very interesting book!
