Gateways Haggadah; A Seder For The Whole Family

Synopsis

The Gateways Haggadah welcomes families with children of all abilities and disabilities to a Passover celebration that is accessible for the whole family. Step-by-step directions for every element of the Passover seder are clearly illustrated with more than 70 vibrant photographs. Each prayer's meaning is illuminated by the use of over 150 picture communication symbols developed by Mayer-Johnson,™ the leading creator of symbol-adapted special education materials to assist individuals in overcoming their speech, language, and learning challenges. In this way, seder participants can experience Passover through clear, direct language and through rich and varied images. This easy-to-hold, concise Haggadah is respectful to all participants, whatever their abilities, and ensures that all can take part meaningfully in a complete Passover seder that lasts about 30 minutes.

Gateways: Access to Jewish Education provides high quality special education services to enable children with diverse learning needs to participate meaningfully in Jewish life.

Super excited to find this Haggadah - it might have been written specifically with special needs children in mind, but it's actually a great tool for children of all ages. If you're new to Judaism, or heading to your first Seder, this is a great tool for adults to learn from as well. Will be ordering more for the family to use!

This is a Haggadah that does more than just tell a story—it makes the Passover story real and accessible for all ages, cognitive abilities and, yes, attention spans.

It really helped my 7 year old son with ASD lead and feel proud to lead the Seder this year. His Bubby was kvelling!

Great for the whole family. Gets everyone, even the initially disinterested engaged.

I will be using this next Pesach.

The Gateways Haggadah has been a wonderful addition to our Seder table. Geared specifically for children with special needs including my son, it has been meaningful way to not only draw him to Passover but also to help all of us around the table to be more inclusive. I cannot recommend it highly enough.
