When A Laird Loves A Lady (Highlander Vows: Entangled Hearts Book 1)

Synopsis

A need to belong drives her. A longing to forget compels him. Fate may send them into each other's arms, but only love can mend their hearts. An Outlander Raised by a tyrannical father, Marion de Lacy yearns for the comfort of belonging to a loving family. So when her father announces her betrothal to an evil knight in exchange for his help to overthrow the king, she concocts a desperate scheme to avoid the marriage: feigning her own death and then fleeing England. But when her plan goes terribly awry and she's captured by the knight, not even her careful preparations could ready her for the Scottish barbarian who rescues her and then informs her that he's to marry her by edict of her king. Certain her father will defy the king's orders and wed her to the knight if she refuses the Highlander's hand, Marion agrees to marry the strangely compelling but obstinate laird of the MacLeod clan. A Highlander After the death of his beloved wife, Iain MacLeod has no desire to marry ever again. Yet when he finds himself obliged to do so to secure the freedom of his childhood friend and king, he reluctantly travels across England to collect his unwanted bride, expecting to find a cold Englishwoman. Instead, he discovers a fiery, bold beauty who is fiercely loyal, protective of those she loves, and defies him at every turn, challenging his certainty that his heart is dead. Ensnared Following a hasty marriage and perilous journey to Scotland, Marion harbors no illusions that her new husband loves her. Still, her heart cannot resist the noble, brave warrior, and she cannot suppress the hope that she has finally found where she belongs. However, the harder she tries to fit in with the clan and gain Iain's love, the farther away her dreams drift. Iain is more than willing to give his respect to his courageous wife • her kisses and caresses even ignite his blood and demand his passion • but he refuses to give up his heart. That is, until enemies near and far threaten to take Marion from him. Now the demons that haunt him can only be conquered by surrendering body and soul to Marion, if only it's not too late!

"WHEN A LAIRD LOVES A LADY by Julie Johnstone is the first book in the Highlander Vows: Entangled Hearts series, and I cannot wait for the second instalment. With beautiful imagery, the author transports the reader to a whole new world. Both Marion and Iain are meaningful and emotional characters, who I became deeply invested in. I could not put this book down. With plenty of danger, excitement and passionate encounters, WHEN A LAIRD LOVES A LADY by Julie Johnstone has got it all, and I now have a new favourite author." ~ Fresh Fiction

Julie Johnstone hit a home run with *When a Laird Loves a Lady*. Ian and Marion's story has many twists and a growing love. Moving on to the next in this series.

Loved this book and hope there are more in the series. I will continue to look for Julie Johnstone books as they are very enjoyable reads!

This truly had me on pins and needles. I loved every minute of the story. True love does conquer all.

The story was pretty good and I did buy the 4 books in this series so I will continue to read them. The intimate scenes were good, but a little more detail would have been even better. The plot and twists were good in this story as well.

Good read. The characters are well thought out and since this is a series I get to find out what happens next.

I gave this book a four star rating because it lacked a complete epilogue however I would recommend this book to all romantic's because it had all the elements of a good read with lots of action and strong passionate characters.

I love the medieval time period and stop after the 1600's. What a find to have purchased this book, thinking it is dated in the 1800's and find out its Scottish medieval time period. I could not put this book down. It's a great read when you are on the edge of your seat with your characters, laughing out loud, or crying at a tender moment. I'm not going to tell you about this book. If you want action, laughter, betrayal, intriguing circumstances with tears and joy...then read this wonderful new book from this author....I can't wait for the next two books to be released that is in this series...now please! I am now looking through this author's other books to try to find another great read. I hate coming to the end of a great book...wished this story could have included the other books that are coming out of this series...

Loved this book!! Nonstop action filled humor, love, and plot twists. I absolutely loved the sarcastic dialogue interspersed in this story!! I'm not a huge stickler for "appropriate dialogue" for the time it was written, bc if it was true to the dialogue for the time I highly doubt ANY of us would understand it!! Just give me great characters, a great plot, and chemistry and I'm good to go. Loved this book couldn't put down and I will be reading more of her books in the future.
