Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Great collection of songs for the young singer. My 12-year old voice student just loves this book. There's a huge selection of Disney songs and Broadway hits. Everything is appropriate for a young person (I have had the problem of ordering musical songbooks before and discovering that the subject matter or language is not suitable for children). If you're looking for a fun anthology that will be used over and over again, this is a great choice. There are plenty of familiar songs, but also some new gems to be discovered! Great selections for auditions, recitals or just for singing at home!

Great collection of songs! Bought it for my daughter for christmas last year and she loved it!

for my daughters voice lesson.. her teacher recommended it.

Great to have 2 volumes in one book. The pages lie open better than the pages of the single volume that one has to fight to keep the book open. Many useable songs.

A songbook for voice and piano for children's vocal solos.Song List Any Dream Will Do (from

This particular book is for voice. It doesn't say that in the title. It's on the front cover top left corner in very small print. Make sure that's what you want before you buy it. It will not work for piano (which is what I need).
