This is Wheeler's third collection of emotionally cathartic Christmas stories culled from thousands of potential "candidates." The anthology is an attempt to rediscover the family values inherent in this Christ-centered holy day. Preceded by saccharine and superfluous introductions, the 16 selections range from the ubiquitous "Gift of the Magi" through works by respected writers such as Pearl Buck, Taylor Caldwell, and Madeleine L'Engle to lesser-known and anonymous authors. The stories range from the poignancy of a mother's periodic "Jubilee" vacation away from her family through a teary-eyed twist on a Christmas pageant to the trauma of a homeless, pregnant teenager seeking refuge at holiday time. In its own way, each portrays God's intervention during the dark times. Author David Grayson intimates that the kindness of Christmas is too grand to take in all at once; he prefers his Christmas kindness spread throughout the year. That's also a great prescription for consuming these sensitive holiday morsels. Patricia Hassler --This text refers to the Paperback edition.

No season beats Christmas for being sentimental. Somehow all things converge to make it a season for giving, caring, and sharing, especially with family. Undeniably, the stories we share make us inseparable from our families. Some stories become everyone's story by capturing the essence of Christmas. Those are the ones that become classics, the ones we tell and retell until we know them by heart. This marvelous collection began innocently enough one wintry day when a student challenged Joe Wheeler to write a Christmas story. After composing his first story, he began recalling those his mother used to tell each year, and finding others, old and new. Years later, he now shares with us the best of his timeless treasury of heartwarming classics from the golden age of Christmas stories. Well-known authors such as Pearl S. Buck, Madeleine L'Engle, Taylor Caldwell, O. Henry, and Norman Vincent Peale offer their favorite tales. Once you read Christmas in My Heart, your Christmas won't be the same without it. --This text refers to the Paperback edition.

My kids and I read this series each Christmas season. We laugh and cry and enjoy these books immensely!

As usual Joe Wheeler did good.

I am reading the last story BY THE FIREPLACE, now on Christmas Day. Long story, but a beautifully written story that everyone should read, especially long time married couples.

Excellent stories that I would highly recommend. The stories are wholesome and the characters are honorable. Very enjoyable reading.
