good

Great quick reference for hike ideas in the Fairbanks area.

Our trip to Alaska this summer is the trip of a lifetime. This guide looks to be a great resource to help plan our activities. Will be better able to evaluate after our trip.

This handy little guide really didn't tell me about any local trails I didn't know existed. It did give me enough information to decide which trail would best fit what I wanted in a given hike. Trail lengths, directions on how to get there and follow the trail are given. Difficulty level and whether a trail is suitable for children is provided. Simply a handy little guide to Fairbanks area trails. This information is available through different local agencies, but it's nice to have it all in one little book.
