Niall Mackenzie: The Autobiography

Synopsis

Niall Mackenzie has been Britain's most successful Grant Prix racer since Barry Sheene. At his final race in Knowchill in August 2001, more than 20,000 fans turned up to bid farewell to their local hero. Niall has come a long way from Denny where he would regularly get into trouble for racing round the streets and in and out of chip shops to impress the girls. This is a look into the British GP and Superbike scene through the eyes of one of its legends.
