CLEP Official Study Guide 2018

Synopsis

Like The Official SAT Study Guide, this is the only official study guide for CLEP, developed and published by the test makers. The book has remained the most popular study aid for CLEP exams. Interest in CLEP is high among graduating high school students, adults returning to college, homeschool students and those in online degree programs, active-duty military personnel and military veterans.

Customer Reviews

Just a practice test guide, literally the same questions as the 2016 and 2017 varieties, except chapters are shuffled. This will not help you learn, but is a great gauge if you're interested in multiple exams and want to see how much you remember.

Only questions with answers in the back. Nothing to study
