Arthur: The Dog Who Crossed The Jungle To Find A Home

Synopsis

THE SUNDAY TIMES BESTSELLER When you are racing 435 miles through the jungles and mountains of South America, the last thing you need is a stray dog tagging along. But that's exactly what happened to Mikael Lindnord, captain of a Swedish adventure racing team, when he threw a scruffy but dignified mongrel a meatball one afternoon. When they left the next day, the dog followed. Try as they might, they couldn't lose him - and soon Mikael realised that he didn't want to. Crossing rivers, battling illness and injury, and struggling through some of the toughest terrain on the planet, the team and the dog walked together towards the finish line, where Mikael decided he would save Arthur and bring him back to his family in Sweden, whatever it took. Reactions to Arthur's story: 'an incredible journey' Daily Telegraph 'Arthur latched onto an extreme sports team during the race - and what happened next will melt the hardest heart' - Daily Mail

Loved every minute of it. Amazing story. Could not put it down and read it in one go! I followed the story when it happened but absolutely loved the book.

An emotional story that talks about bravery, hope and loyalty. A stray dog with a a strong will that was willing to pursue a home and transform many lives during the journey. It's necessary to know Mikael Lindnord to understand the unbreakable bond that was established between Arthur and him and the valuable decision to rescue stray dogs.

What a gorgeous true story. This teaches love on so many levels. This dog, who was lonely, hungry and injured, recognized the man who would save him. The loyalty and commitment between the athlete and Arthur makes me cry.

If only more humans could care for our PRECIOUS earth Angels like this SPECIAL man did!!
Wonderful to read a "feel good" story when we are surrounded by so much negativity :-)

Thoroughly enjoyed this book. Made me cry happy. What makes it even better is that it is a true story.

I first learned about Arthur's like everyone else through the press. This book elaborates nicely from the press stories and is well worth reading if you like dogs or adventure sports!
