# The Power Of A Praying® Husband

## Synopsis

Stormie Omartian's bestselling *The Power of a Praying*® series (more than 28 million copies sold) is rereleased with fresh new covers and new material to reach a still-growing market of readers eager to discover the power of prayer for their lives. In *The Power of a Praying*® Husband, you'll find the excitement and hope that come from inviting the God who hears and answers prayer into your marriage. Packed with real-life examples and refreshing honesty regarding her own marriage, Stormie encourages you to lovingly intercede for your wife in every area of her life, including her priorities, emotions, motherhood, fears, sexuality. Each chapter features comments from well-known Christian men, biblical wisdom, and prayer ideas. The warm and easy-to-read book includes a foreword by Stormie's husband, multi-Grammy winning music producer Michael Omartian. It's a resource that makes a great gift to husbands from wives and is also an excellent study for men's groups wanting to develop the discipline of prayer.

## Customer Reviews

Omartian, who has dominated Christian bestseller lists with *The Power of a Praying Wife*, is back with a companion volume for hubbies. She urges every husband to pray for his wife for her emotions, her skills as a mother, her ability to be faithful, her friendships, her sexuality. Along the way, Omartian offers insights about prayer that even non-husbands will benefit from when we pray with bitterness or hardness of heart, for example, those prayers will not be answered. For those lacking in creativity, Omartian provides, at the end of each chapter, actual prayers for husbands to

say. And for those worried about taking husbandly advice from a woman, Omartian has sprinkled the book with the occasional paragraph by her husband, Michael Omartian, and a few other husbands. The book is not flawless; many of the chapters open with an analogy, and some of those analogies are obvious, stereotypically masculine and a tad degrading: your marriage is like a football game, your wife is like a car. This book accepts as a given certain notions about marriage and women's roles that may alienate feminist husbands and wives men should pray for their wives' submission and obedience; working mothers need a set of prayers specially tailored to the guilt they're bound to feel. But for Christians of the Promise Keepers stripe, Omartian has provided an accessible, direct book on prayer. (July) Forecast: The Power of a Praying Wife and The Power of a Praying Parent have sold just over two million copies combined; the former title has occupied the #1 spot on the Christian bestseller list for 19 consecutive months. Since it is directed at a male audience (and women are the primary buyers in the CBA), this title may not sell as furiously as its predecessors, though it will still perform well. Women may purchase the title as a gift book though it remains to be seen whether their husbands will actually read it. "No writer has made so positive an impact on the prayer life of this generation of Christians as Stormie Omartian. God has used her profoundly and there is no one I would recommend more readily: she's biblical, practical, and best of all "she lives the life!" "Pastor Jack Hayford, Founder-Chancellor, The King's University

I read through the first couple chapters of the Wife book by this Author, and it was right on the money. So I figured I should get this and use it for prayer for my wife. 16 years and I was clueless about what she really needed prayer for, but not any more.

Author does a great job of laying out a bunch of topics that husbands (or future husbands like me, Lord-willing) can pray for their wives about. For each topic she provides scripture, the context and reasoning of why this particular issue is important, simple bullet points listing out things to pray about regarding that subject, and a testimony of a husband about praying for his wife in that particular area and how that impacted their marriage. Overall, it is a great resource, easy and quick to read. Thank you!

Husbands, this book will rock your marriage. Your wife needs to know that you're praying for her.

Buy this book. Read this book. Reread this book, and take notes. Give this book to any other husband you know.

I bought this for my husband. He is not a person who enjoys reading these type of books. I kept it for him for 6 months. When he still didn't bother to pick it up to read, I passed it on. I'm sure the book is good. This author is great.

I appreciate my husband praying for me and so far I think he has learned a lot! I have the wife edition and it changed my walk with the Lord.

Im reading the Prayers of a Praying Grandparent, Wife, and husband. Great books. Can't say enough great things about it. My husband and I are reading them together.

All of her books are extremely helpful and give you the direction you need. The Power of a Praying Wife is just the same. The book is laid out in topics. Each topic has a page or two written by the author for better understanding. This is followed by a prayer specifically about the topic. Then she lists Bible verses about the topic. I LOVE these books. It really helps you specifically for a subject. I tend to wander all over the place! The Power of a Praying Wife saved my marriage. I would pick a subject or two that I felt was important at that time and read the prayer out loud. It was so powerful. She explains in the first chapter how this works.

We have been married almost 22 years. Wonderful to read a book that give you insight into what women think, feel, and need. Stormie makes the book funny and keeps your attention but also is pack full of great information. I highly recommend it to anyone that wants to improve your marriage. Should be required reading before getting married.
