A great cookbook addition to any home, not just those looking for Dutch Oven specific ideas. The recipes are flavorful and very creative. Two thumbs up!

Excellent book with tons of great recipes. These authors really know what their doing. One of the best cookbooks I've ever owned.

Good book about dutch oven recipes. This kind of helps us to broaden the abilities of the dutch oven.

I will try some of the recipes , probably not with the oven but on the stove. Carolyn is my cousin and I wanted to see what they had written. I will be showing the book to members of my family. Ruth Wagner

I gave this book a five star rating! The Dumlers travel the southwest competing in dutch oven competitions and have compiled an amazing list of deliciously festive foods in their first book. The foods in the book were easy to make and so delicious!!'ve, actually, eaten quite a few dishes that the Dumlers have created and cooked and they are always unique and extremely delectable.

Very informative, a must read for anyone cooking outdoors. Overall very useful book. The section seasoning and cleaning is very good.

I tried the food they made at an event. Excellent. Will have to make some of these recipes!
