Since the explosive ending for Cage of Deceit, I have been anxiously waiting to find out what would happen to Allyssa and Odar. Rest assured, there is no second book slump in this series. From the beginning moments, Cage of Darkness is action packed and never relents. I couldn't even bother to

sleep, staying up late into the night to finish. There are numerous plot twists and alliances are constantly shattered and realigned. Cage of Darkness represents everything I enjoy in a YA fantasy series. "Always remember, you are the leader of your own destiny." Cage of Darkness is darker and more intense than anything I've read from Jennifer Davis. After the initial shock wore off, I was left feeling impressed. Allyssa was a tough heroine in Deceit, but she delivers on an entirely new level. She has to endure countless battles and events throughout, and it only strengthens her resolve. Her chemistry with Odar is as fiery as ever. Despite the violence and more somber feel, there is still plenty of banter and emotional moments. Allyssa continues to develop into a strong leader for her kingdom, and I especially admired her attitude in the closing moments. "I'm not the girl I was before I came here. This place has changed me." I cannot wait for the third installment of this series. All of my ships have sunk and my theories blown to pieces, but I relish truly not knowing what will happen next. If you are a YA fantasy fan, I recommend trying Reign of Secrets.

A thoroughly entertaining read. You know, just know, that the heroine is going to be ok in the long run but you're not sure how it's going to work out and then BAM, everything changes and things don't work out the way you think they will. This was an unusual book from the beginning until the last page. It had some unusual twists and turns that the reader isn't expecting and doesn't end like we think it will. All in all it's a good, quick read. Can't wait for the last installment to come out.

I hate that book 3 isn't out right now! I have no words at how happy I am at how things ended in this book. Jennifer Anne Davis should win many awards for these two series. They are clean, no cursing, no sex, no magic and very entertaining! Although these cliff hangers are going to give me a heart attack lol. It's soo hard to find books like that, let alone two series that connect to each other. Just simply awesome!

Family secrets. Court secrets. Relationship secrets, oh my! These families make mine seem functional, but never mind that when there are swords, torture and thrones to overthrow. I suggest snacks, a nail file, a friend on speed dial so you can properly rant about the characters you love to hate and plenty of tissues to mop up your heart... This one is an all nighter!

The middle saga of Princess Alyssa. So many twists and turns. Will she survive the growing feud between Emperion and Russek? Will the Princess and Prince stay betrothed? Alyssa has a very big decision to make towards the end. Will Alyssa choose to fight for love or for an alliance to support

her kingdom? Wish the third book was out faster!

I am a huge fan of Jennifer Anne Davis. Her stories always captivate me and transport me to another world. I thoroughly enjoyed Cage of Deceit, but I have to say that Cage of Darkness blew me away! The book grabbed me from page one and did not let go. One of my favorites of the year. I cannot wait for the next book!

I've been waiting over a year for this book and boy did it deliver!! Alyssa is one of my favorite heroines in that she's a go getter with minimal complaints. This book had so many twists and a huge cliff hanger in the end so be prepared!

Alyssa is such a great character!!! But Kerdan is probably the most intriguing. Such a great exciting story. It flows along so easily, seems i just started, and it's done! Looking forward to more. Happy Reading!!!!Tim
