# Almost Too Big 5: MEGAbundle + Bonus

## Synopsis

Who says the first time needs to be gentle? It certainly wasn't for the dozens of brats who were ravished hard and unprotected by the men of their houses in these stories! Now, gathered together in one box set, is the entire catalogue that made Scarlett Skyes the #1 ranked author in the genre. More than half a MILLION filthy, forbidden and taboo words that will not only melt your Kindle, it'll probably set your house on fire too! Updated as of June 2017 with all of Scarlett's latest work PLUS bonus content from fellow top 100 writer, Eliza DeGaulle. If you want to be taken along for the ride as pouty little princesses brace themselves against the headboard and push back just so their men can fit in, accept no substitute. Just like the men in these stories, this box set is ALMOST TOO BIG.
