Best Sellers Rank: #189,858 in Books (See Top 100 in Books) #3 in [Books > Travel > Europe > San Marino & Umbria](#) #4 in [Books > Travel > Europe > Italy > Umbria](#)

Customer Reviews

Nice map. 1:300,000 scale is just right for our needs -- the area that's covered is not too small to be useful for regional driving, but also not too large, in which case you lose critical detail once you get into your destination town/city.

Very detailed. Easy way to identify how one can travel from one place to another. Easy to travel with but big enough to get the big picture.
