## Synopsis

This revised version of the beginning band series makes Jump Right In easier to use and more musical than ever before. Here are some of the highlights:

- Student books have high-quality CDs of folk songs and melodies available that: Comprise many styles, tonalities, and meters
- Span many cultures and many centuries
- Are ideal for listening and playing along
- Features performances by some of the world's greatest performers: Artist faculty members from Eastman School of Music
- Members of Rochester Philharmonic Orchestra
- Rhythm and Brass Helps develop musicianship beyond instrumental classroom with: Progress from sound to sight in logical, commonsense sequence
- Opportunities for improvisation from early stages of instruction
- Tools to help students learn to read and write with better comprehension
- Arrangements of familiar songs in each book
- Sequential and proven materials are: Designed specifically to attend to individual differences
- Based on current experimental and practical research
- Based on the music learning theories of Edwin E. Gordon
- Relevant to National Standards and include suggestions for measurement and evaluation
- Extensive Teacher's Guide: Contains lesson plans
- Includes teaching procedures
- May be used independently or in conjunction with Jump Right In: The Music Curriculum and Developing Musicianship through Improvisation
