## Customer Reviews

An "aha" moment study that leads the reader to much self-examination. I enjoyed the book even without the ability to see the DVD lessons, which I look forward to seeing soon. It pulls the segments of the Sermon on the Mount into one cohesive, thought-provoking teaching. I highly recommend this study for new Christians AND those who are thoroughly trained!

Excellent study. Jen Wilkin does a great job bringing the Sermon on the Mount together as a cohesive 3 chapters from Matthew and not as just bits and pieces like we usually see it taught.

I have previously done other studies of Jen Wilkin's and this one is as amazing as the others. There is a corresponding video to rent or buy to go along with this workbook/study ( make sure to purchase). As a single study or for a group there is no better resource for an inductive Bible study. It will bring you to your knees, in repentance and you will marvel at such scholarly presentation. What a blessing!

We don't start our study till Sept. 23rd. But as everything else in the Bible is awesome, I already know I'll love it! Thank you for always having what I need.

Really enjoyed reviewing this book with my bible study group.

This is a great study. The teaching videos that accompany the study book are wonderful and very enlightening.

Our bible study loved this series. Very provocative discussion for today's culture.

A great bible study!
