# Girl In A Bad Place

## Synopsis

Mailee and Cara take care of each other. Mailee is the star of the high school plays; Cara is the stage manager. Mailee can't keep her life together; Cara has enough organizational skills for the both of them. So when the girls are invited to visit the Haven, a commune in the mountains near their suburban Montana homes, it seems like an adventure. Until Cara starts spending every waking minute there ... and Mailee thinks it's creepy, almost like a cult. When Cara decides she's going to move to the Haven permanently, Mailee knows it's a bad idea. But how far will she go to save her best friend ... from herself?

## Book Information
