Keller The Dogkiller

Synopsis

From the beginning, dogs have played a role in Keller's story. The very first Keller episode, *ANSWERS TO SOLDIER*, sent Keller to Roseburg, Oregon, in pursuit of a man hiding out in the Witness Protection Program. (The man runs a Quik-Print franchise, and Keller scouts out the situation by placing an order for handbills seeking a lost dog. It's the dog he had as a child..) The story ran in *Playboy*, picked up an Edgar nomination, and a few years down the line the author realized he had more to say about Keller. In the resulting tale, *KELLER'S THERAPY*, our favorite hit man is pressured by his psychotherapist in a tale that involves an Australian cattle dog — a dog who winds up in Keller's possession, as it turns out. And that dog, the endearing Nelson, becomes an increasingly important part of Keller's life until his dogwalker walks off with him. These things happen. And now here's Keller, hired to kill a dog. And to do so not halfway across the country, but in his home town of Manhattan. It's complicated. *KELLER THE DOGKILLER* was published in *Ellery Queen's Mystery Magazine*, anthologized in *DARK CITY LIGHTS*, and scooped up into *HIT PARADE*, the third episodic Keller novel. It includes as a bonus the opening portion of *KELLER IN DES MOINES*.

Customer Reviews

Love Block's Keller

in Keller the dog killer block provides a bad ending which is well-deserved

Keller's Designated Hitter, Keller the Dog Killer, Keller's Adjustment and Quotidian Keller are all stories that are a part of Hit Parade, which has many more Keller stories as well.

I'd recommend getting Hit Parade instead. Hit Parade (Keller series Book 3)

I've never been a big fan of Block's serial characters except for Matt: Matthew Scudder, who is more like someone I know than someone I've read about. But this novelette really drew me into the lonely, broken world of Keller.

Every time I thought this story was done, Block surprised me...and made me glad that I'm mostly a cat person...

Fun to read, quirky characters.
