Recalling Deeds Immortal: Florida Monuments To The Civil War

Synopsis

“A comprehensive examination of the ways in which the wartime service and sacrifice of Floridians has been memorialized from the Reconstruction Era through the present. A valuable contribution to the subject of Civil War Memory.” —David J. Coles, coeditor of *A Yankee Horseman in the Shenandoah Valley* —“A complete guide. The authors locate every Civil War monument in Florida and explain their symbolism.” —Daniel L. Schafer, author of *Thunder on the River: The Civil War in Northeast Florida* —“One hundred and fifty years ago, Florida was shaken by battle, blockade, economic deprivation, and the death of native sons both within and far outside its borders. Today, tributes to the valor and sacrifice of Florida’s soldiers, sailors, and civilians can be found from the Panhandle to the Keys. Authors Lees and Gaske look at the diversity of Civil War monuments built in Florida between Reconstruction and the present day, elucidating their emblematic and social dimensions.” —“Most monuments built in Florida honor the Confederacy, praising the valor of Southern soldiers and often extolling the righteousness of their ‘Lost Cause.’ At the same time, a fascinating minority of Union monuments also exists in the state—and these bear notably muted messages. *Recalling Deeds Immortal* shows how the creation of these bronze and stone monuments created new social battlegrounds as, over the years, groups such as the Ladies’ Memorial Associations, United Daughters of the Confederacy, and the Grand Army of the Republic competed to control the messages behind the memorialization of fallen soldiers and veterans. Examining the evolution of Civil War monuments, the authors demonstrate that the construction of these memorials is itself an important part of Civil War and post-Civil War history.”

Book Information

Hardcover: 352 pages

Publisher: University Press of Florida (October 21, 2014)

Customer Reviews

“A first-rate scholarly study that illuminates how and why these monuments were erected in Florida’s postwar, poverty-stricken conditions. An indispensable memory study for those with an interest in historic Florida. [Civil War News](#) “A thorough catalogue of Civil War monuments in Florida that ably highlights initiatives of interest beyond the state. A treasure trove of information. [Civil War Book Review](#)

William B. Lees is director of the Florida Public Archaeology Network at the University of West Florida. Frederick P. Gaske is coauthor of the Florida Civil War Heritage Trail.

Nice book, quick response!
