Customer Reviews

Harry, the mischievous little white dog with black spots, tries everything he can think of to get the lady next door to stop singing. Now this best-selling book is packaged with a cassette featuring a delightful reading by Becca Lish.

Gene Zion and two-time Caldecott Honor winner Margaret Bloy Graham have collaborated on several favorite stories about Harry: Harry by the Sea, Harry the Dirty Dog, and No Roses for Harry. Gene Zion and two-time Caldecott Honor winner Margaret Bloy Graham have collaborated on several favorite stories about Harry: Harry by the Sea, Harry the Dirty Dog, and No Roses for Harry.

My kids really like Harry the Dirty Dog and we were hoping to find another favorite from the Harry series. This book was just "okay" for us; it's a simple enough story about Harry not liking the singing from the lady next door. Through various means, Harry tries to deter the woman from singing, although his attempts are not particularly engaging and there is a bit of a disconnect in how he seems to think his substitute noise(s) will remedy the situation. Overall, not a bad book, but not one that is requested often or eagerly.

Oh my gosh why do children love this so much? Every night it's Harry. If she wants to read, we read. Get these books!

I bought Harry the Dirty Dog for my 4 year old niece on whim because I remember liking it when I was her age! She loved it! And asked for more Harry books. I didn't think there were any more but I checked to see and lo and behold, 3 more books!!! She was thrilled when they arrived and lived all of them! Great stories for children especially ones who like dogs

This is a classic. Just beware that it's a longer bed-time read than Harry the Dirty Dog, My boys love it and roar with laughter at the illustrations every time. If anything I enjoy it even more than they do.

my daughter loves reading this book!

We like Harry.

Wonderful book. We love all the Harry the Dog stories and am so happy to have this in our collection. It's a paperback version, so little ones could fold, spindle, or mutilate, but it's a great read with fun illustrations. The kids, and the grandkids love it.

I bought this book because it was one of my favorites when I was little and I wanted to be able to share it with my kids today. It's a great story and brought back a lot of memories. Even though Harry

is a lovable dog, he doesn't always do things the right way and ends up upsetting people, which is a great opportunity to talk to kids about the right way to do things vs. the wrong way. The illustrations are great and funny, too.
