## Customer Reviews

This is very nice and age appropriate! My daughter is 7 and makes sure we do this often, even when I forget. The message is easy to follow and it is a lovely accompaniment to the scripture. I am very pleased and glad I bought this. Anytime I can get my children to focus on Jesus is time well spent!

I started reading God & Me and found that my granddaughters ages, 5 & 7 really enjoyed listening to the stories. There are questions asked at the end of each story. The girls have really gotten into telling stories of how they were in the same situations. God is mentioned in each story and how he wants them to act or handle different things. I have learned quite a bit about my granddaughters from their stories. I believe it has made them think about how God loves them. I now have started reading God & Me Vol. 2., with the same results. I love these books.

This is such a wonderful devotional. It has stories that girls can relate to and also has questions that make sure that the reader understands what the story is meant to convey. It also has activities that are relevant to the devotional of that day. I was so glad when I found that each age group has more than one volume.

Excellent! Excellent! I homeschool my eight year old daughter and we absolutely love this book. We are a Christian family and this is a great resource to our daily discussions about our faith.

I bought this book for my 8 year old daughter who has outgrown the 3-5 version. She jumped right in with excitement. The pictures are vivid, the lessons are age appropriate and encouraging and the concepts are great for learning God's plans for your life. I am so happy to have such a fabulous resource for teaching our families values to my little girl.

Great book for young Christian girls to grow in their faith and really understand the meaning of being a Christian! My daughter loves it!

We bought both volumes of this when my daughter was 7. She has enjoyed doing these devotions every night and has filled them both up. She and I recommend these!

Great devotional book for my child.
