## Customer Reviews

Andrew S. Cook MD, FACOG, founder and medical director of Vital Health Institute, in Los Gatos, California, is an internationally recognized women's health expert who has devoted his professional life to helping women with complex health problems. A renowned gynecologic surgeon, he is a leader in minimally invasive surgical techniques and a pioneer in the treatment and management of endometriosis. Dr. Cook trained as both a gynecologist and a reproductive endocrinologist. He finished his fellowship at the Johns Hopkins University School of Medicine in 1991 and has been in private practice, primarily in Northern California, since then. Dr. Cook is one of only a handful of experienced specialists devoted to the treatment of endometriosis and pelvic pain. Even among these specialists, he is unique in his comprehensive approach to his patients' overall condition. Dr. Cook is known for his compassion, dedication, and a leading-edge integrative approach that combines traditional Western medicine and surgical treatment with complementary care and a holistic philosophy. Women from across the country and throughout the world turn to Dr. Cook for help with complex pelvic problems.

Exceeded my expectations! Very thorough explanations of endometriosis, various treatment options, dietary options, as well as supplement guide. If you suffer from endometriosis you will not regret this purchase.

This book is just what I've been looking for. Up to date. Well written information with an interesting mind grabbing written material. Highly recommend this book.

Very Helpful, I felt prepared with questions for my doctor before surgery and I now have terminology to ask the RIGHT questions. Thank you.

This is a great resource! Highly recommended!

Easy to read, so Many things that open My eyes!!

My daughter was diagnosed with endo so this was perfect for her

A must have!!

Great book!
