Customer Reviews

132 pages, hardcover, rubber stamping how-tos, Book club edition but hardcover looks the same as regular edition, full color, etc.

Nice pictures and a lot of great ideas.

This book not only covers the making of greeting cards, but provides so many other ideas for stamping, as well as quilling. The designs they show are rich looking and some are super-cute. There are concise directions and templates to use to get the affect they achieved.

Excellent
