## Customer Reviews

Great book. We have travelled to the Hawaiian islands multiple times, but hadn't been to Maui in a while. This book has great restaurant and activity recommendations. We did still use tripadvisor for some ideas, but this book really had everything you would need.

Put this in our guest room basket for our guests that were going to Maui the next month. They absolutely loved this book and took it with them everywhere when they were in Maui. It has so many places that are off the regular maps to go and see.

Great reference book if you have no knowledge of Maui. We used it as a guide on our recent trip and found it to be very helpful

Great Book. Very useful before heading to Maui.

Did not use it once in Maui even though we carried it everywhere. Ended up using our phones and Yelp to find places to go. The book is good planning a trip, but not when you're there.

came in handy

Very helpful. I'll enjoy reading it before our trip.

Great guide. Helped us a great deal in planning our trip to Maui. Great map included.
