Shows The Computer Work Of The Car. Worth The Purchase. Father has been an automechanic certified over 30 years. Though he hasn't really worked on cars since, just here and there, he knows them well, except never learned computers. This helped him.

Could pass as a new book. thanks

Nicely detailed

Just what i wanted in great condition

brilliant easy read great information give a good direction in where to start

Wonderful service, thanx very much!

Great book exactly what i needed for school. I plan to learn alot with this book and use it for future info also.
