Inside The Art Studio: A Guided Tour Of 37 Artists' Creative Spaces

Synopsis

Take a tour of artists' studios! Whether you're looking to upgrade your own studio or just love peeking into the workplaces of successful artists, you'll find ideas and inspiration Inside the Art Studio. Culled from American Artist's popular Studios series, Inside the Art Studio takes you inside 37 private studios of fine artists around the country. You'll see how these artists: Adapt existing spaces, including living rooms, garages and barns, into working studios Design their work space to accommodate students Personalize rented studio space with storage solutions and ventilation systems Custom build ideal studios from scratch Not only will you learn from their tips and solutions and read about their experiences, you'll step inside the studios through large, detailed photographs and view the beautiful works created by many of these artists. The unique experiences of the featured artists show just some of the many paths open to any artist wishing to further develop his or her creative life, both in and out of the studio. Let their journeys inform and inspire your studio dreams!

Mary Burzlaff Bostic is the editor of Photographer's Market, Artist's & Graphic Designer's Market, and ArtistsMarketOnline.com. She has seven years of experience editing and acquiring projects for North Light fine art and IMPACT Books and has worked on a variety of titles covering a broad range of art topics.

The art studios and the artists who used them are beautiful. The artists are very interesting people.

who show how their equipment and arrangement complement their technical know how. Very impressed by the easel featured on the cover.

It's a beautiful book, but I was looking for something that inspired me to set up a creative space for myself.

As a working artist with my studio attached to my home; this book is a re-affirmation to develop my space back in 2005-6. The doubts and fears I had at that time were entrenched in thoughts of failure. These fears are long gone, and now I can take comfort in referring to this beautifully documented lesson in self motivation and risk taking. THANKS for sharing!!!

An enjoyable glimpse into the working studios of some rather successful and prolific artists. These are not craft studios that dabble, they are serious, full time artists.

Excellent. Very good information.

Some nice photography and page layout, but nothing really interesting about the artists. Most of them are portrait painters who seem to be painting in a fancy living room. It makes me wonder how these particular artists were selected. I would not have purchased it if I had thumbed through it at a book store.

Gorgeous coffee table book, inspirational to artists, likely to cause renovations at home and studio alike!

Very nice Book with Great Pictures !!!
