Randy Clark is the President and Founder of Global Awakening. Established in 1994, Global Awakening is an apostolic ministry that aims to equip the body of Christ through ministry schools, training programs, conferences and international missions trips. Through his ministry, Randy has seen tens of thousands healed and brought to salvation.

Loved this book. After watching a tumor disappear from my son's leg while he was being prayed for

a few years ago, I have wanted to see others experience the love of God in this way. People need to know that God is not mad AT them - He is mad ABOUT them! Randy Clark shares about how important our intimacy to the Lord is in being a conduit of His blessings to others. Also, there is a huge connection between signs and wonders that Jesus said we would do (John 14:12) and evangelism. When people see the power of God at work and their needs met in a tangible way, the door for sharing about a God who loves them is wide open like no other time. If you are ready to be used by God in this manner and take your evangelistic efforts to the next level, I highly recommend this book.

Randy Clark provides great insight, through teaching and testimony, into the power and promise of God to heal. This book is an excellent resource for anyone seeking to grow in their faith and allow God to use them to demonstrate his love, power, and grace.

Once again, Dr. Randy Clark writes from his store of biblical knowledge and from his experience of seeing those truths demonstrated in actual, provable healings.

High hopes for revival. This book and others by Global Awakening and Bethel...are preparing us for more than we thought we were capable of.

This practical book provides an excellent overview of revivalist Randy Clark's key concepts on divine healing. These are ideas that he has been sharing over last decade. I have heard him teach these live and am now thankful that they have been made available in book form.

this is an excellent book. I was very impressed with the author's humility. he is a very successful and gifted person. but he talks like someone that would live next door to you.

This is an excellent handbook for anyone who wants to let the Lord use him in the healing ministry.

This is a good, concise teaching with scripture backup, on the why and how of praying for healing. Reading this will begin generating faith in the reader.
