Sunny's Kitchen: Easy Food For Real Life

Synopsis

From the host of the Food Network's *Cooking for Real* and *Home Made in America*, and frequent guest on Rachael Ray and *Today*, here is Sunny Anderson's debut cookbook, featuring American classics, made her way. In *Sunny's Kitchen*, Sunny draws on her family roots in the Carolinas, her travels across the globe in a military family, and her years catering while a radio DJ. Her recipes are as bold and spicy as her palette and she welcomes you into her kitchen with an array of comfort foods. Sunny gives you the whole world in just a few bites: her southern Slow Low Ribs, a bit of Germany in her currywurst-inspired Pork Burgers with Spicy Ketchup, Asian influences in Spicy Noodle Bowls, and a classic Shrimp and Andouille Boil from New Orleans. Drawing on store-bought shortcuts and always relying on affordable, easy-to-find ingredients, Sunny shows you how to make every meal a homecoming.

Customer Reviews

LOVE, LOVE, LOVE this cookbook! My husband keeps laughing at me because I am reading it like a great novel. I just made the BBQ Chip Wings only I made pork chops with that amazing BBQ Chip

flavor. WOW! I already have pages marked to try next.

Love the recipes! They are easy and very tasty. I've tried a few so far and looking forward to trying more.

My 2 gift recipients both LOVE Sunny's recipes and I peeked before wrapping them! Due to Sunny's childhood military move-abouts she has a wealth of knowledge about cooking & ingredients. This would not be my 'go to' recipe book -- and some of the recipes have too much chipotle or hot pepper -- but it's still a grand resource.

This is a very good book. It is clearly written and easy to read. The recipes are good and very well written. I would recommend it to anyone.

A great mainly southern cookbook! Found some really great new style recipes to try out. Some I'm not to sure of but you never know enjoy!

This cookbook was a gift to a family member who prides herself as a kitchen queen!!! She found the recipes easy and quick to prepare. The outcome was delicious meals and recipes were true to ingredient amount and cook times. She gave it two thumbs up!!! Highly recommend this cookbook!!!

I started using the recipes in this book the moment I got it and have not stopped. This is a great 'go to' book. The chicken wild rice casserole is one of our favorites already!

very nice book! Very happy with seller. Book is better than described. Shipping took longer than desired but it was worth the wait. Thank you!
