Reading Mahler (Studies In German Literature Linguistics And Culture)

Synopsis

Gustav Mahler's music is more popular than ever, yet few are aware of its roots in German literary and cultural history in general, and in fin-de-siècle Viennese culture in particular. Taking as its point of departure the many references to literature, philosophy, and the visual arts that Mahler uses to illustrate the meaning of his music, *Reading Mahler* helps audiences, critics, and those interested in musical and cultural history understand influences on Mahler's music and thinking that may have been self-evident to middle-class Viennese a hundred years ago but are much more obscure today. It shows that Mahler's oeuvre, despite its reliance on texts and images from the eighteenth and nineteenth centuries, is far more indebted to fin-de-siècle modernism and to an eclectic, proto-avantgardist agenda than has been previously realized. Furthermore, *Reading Mahler* is the first book to make Mahler's position within German-Jewish culture its analytical center. It also probes Mahler's problematic but often overlooked relationship with the musical and textual legacy of Richard Wagner. By integrating newer approaches in humanistic research - cultural studies, gender studies, and Jewish studies - *Reading Mahler* exposes the composer's critical view of German cultural history and offers a new understanding of his music. Carl Niekerk is Professor in the Department of German, the Program in Comparative and World Literature, and the Program in Jewish Culture and Society at the University of Illinois at Urbana-Champaign.

Book Information

Series: Studies in German Literature Linguistics and Culture (Book 87)

Hardcover: 322 pages

Customer Reviews

Thought provoking Should be a part of all serious academic and public classical music collections. AMERICAN JEWISH LIBRARIES REVIEWS Although the Mahler literature is extensive and growing, one can find nothing quite like this volume.. Highly recommended. CHOICE Carl Niekerk's Reading Mahler is a notable addition to the composer's bibliography because it counters conventional images of Mahler as a "nostalgic modernist" or a "neoromanticist" Niekerk investigates Mahler in a rewarding and challenging way. His study also provides readers with a solid grounding in texts and sources that are not always considered in the field of Mahler studies. MUSICA JUDAICA ONLINE REVIEWS Riveting (A) compelling book, an example of interdisciplinary scholarship at its finest. It is a major contribution to our understanding of this pivotal epoch in Western civilization and represents an invaluable resource for any future research into the period as a whole. MODERN LANGUAGE REVIEW (Andrew Barker)

Carl Niekerk is Associate Professor in the Department of German, the Program in Comparative and World Literature, and the Program in Jewish Culture and Society at the University of Illinois at Urbana-Champaign.
