We Are Never Meeting In Real Life: Essays

Synopsis

Sometimes you just have to laugh, even when life is a Dumpster fire. With *We Are Never Meeting in Real Life.*, "bitches gotta eat" blogger and comedian Samantha Irby turns the serio-comic essay into an art form. Whether talking about how her difficult childhood has led to a problem in making "adult" budgets, explaining why she should be the new Bachelorette - she's "35-ish, but could easily pass for 60-something" - detailing a disastrous pilgrimage-slash-romantic-vacation to Nashville to scatter her estranged father's ashes, sharing awkward sexual encounters, or dispensing advice on how to navigate friendships with former drinking buddies who are now suburban moms - hang in there for the Costco loot - she's as deft at poking fun at the ghosts of her past self as she is at capturing powerful emotional truths.

Book Information

Audible Audio Edition

Listening Length: 9 hours and 16 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Random House Audio

Audible.com Release Date: May 30, 2017

Best Sellers Rank: #19 in Books > Audible Audiobooks > Humor > Essays #28 in Books > Humor & Entertainment > Humor > Love, Sex & Marriage #44 in Books > Humor & Entertainment > Humor > Essays

Customer Reviews

Samantha Irby is my new favorite person. She's quick, brilliant, hilarious, spot on about life, and doesn't hold ANYTHING back. That's what I want in a writer. If I wanted something safe, soft, and fuzzy, I'd pet one of my cats. I want REAL stories. I want the author to speak to me like they'd speak to me on the street. One thing I'm always looking for from an author is honesty. Not just honesty, but brutal honesty. That's what Samantha gives... direct and right in your face.

No? Okay, good. Because Samantha Irby is hysterical and I had many fits of gasping laughter while reading this book. I also found myself nodding a lot at her insights on all sort of things like: living

solo, being abused by your cat, Internet dating, never leaving the house, sex (and sexuality and lesbian sex), not (EVER) having kids, being an adult orphan, depression, and more. I already want to go back and highlight everything I loved!

There are some strong points in this book and a lot of laughter but I feel like it fell short at the end and at times a bit repetitive.

Very funny and heartfelt. Read it in one sitting. Did find myself laughing out loud at times.

Funny book!

Says a reader who had holes drilled in her bones this summer. A laugh. A chuckle. This was fun funny and a complete joy to read.

Absolutely loved it. Recommended by a friend and didn't know what to expect. Situations are funny, real and sometimes raunchy. Highly recommend.

Good read for a laugh
