Customer Reviews

Dr. Michel Crouhy is Senior Vice President, Global Analytics, Market Risk Management Division at Canadian Imperial Bank of Commerce (CIBC). Prior to this he was a Professor of Finance at HEC. He has been a visiting professor at Wharton School where he received his Ph.D. He has extensively published in academic journals and is also the associate editor of the Journal of Derivatives, the Journal of Banking and Finance. He is also on the editorial board of the new Journal of Risk. Dr. Dan

Galai is the Abe Gray Professor of Finance and Business Administration at Hebrew University. He has been a visiting professor of Finance at INSEAD, and also has taught at UCLA and the University of Chicago where he received his Ph.D. He has consulted for the Chicago Board of Exchange and the American Stock Exchange. He has published numerous articles in leading business and finance journals and was the winner of the First Annual Pomeranze Prize for excellence in options research presented by the CBOE.

Perfect condition.

Very thorough and relevant for the current economy after the Great Recession

an easy to follow book covering all areas of risk. I recommend the book to anyone working in the financial industry but most important to regulators

Very thorough. Good information for someone new to risk management in the financial industry.

In college, if you have notes, you won't need this.

Excellent book. Very informative and easy to follow.

Delivered as promised.

Provides information and suggestions.
