Yurope! Hillary's Invasion

Synopsis

In Yurope! Hillary's Invasion, Thomas D. is the last self-sufficient man in America. The illiterate masses of humanoid gelatin surround him on their government assigned wheel chairs and clap rapturously as more and more of their freedoms are taken away in the pursuit of comfort. The first female American president, Hillary Clinton, is elected. At the same time, a mysterious stranger named Kuzen calls upon Thomas to liberate the country of Ungland. Supposedly, Thomas has a relation to Ungland's wicked king. Thomas's journey through New Something, England, France, Germany, and Poland to Ungland and the American invasion that follows him will change the course of human history. Whether that change is for the better, or for the worse, is up to Thomas to decide. Hillary's Invasion is a grand adventure through unknown lands where the degraded citizens of Yurope, once known as Europe, are lambasted with pitch black humor. The lazy, the ignorant, and the easily offended must not purchase this novel.

Customer Reviews

A chilling prophecy of the days to come for america and it's peoples. I am required to write seven more words.

An uncanny view into what will probably become America's (and the world's) future. This chilling yet satirical novel will have you both giggling and depressed, because I'm 90% certain that something like this could actually happen.

It was an amazing literary experience from beginning to end.

Great work; reminds me of 1984 at the beginning. Spectacular imagery, but work on the exposition, characters feel stale and dry and plot thins out towards the end, along with everything else.

Cured my depression.

Very great. Enlightening and awe inspiring. Best book I've read in a long time I learned a lot. Can't wait for part 2.

A book that relates with the modern suffrage of the average non-obese citizen. I recommended you purchase this book, so you too can gain a deeper understanding of Americas' future.

Greatly enjoyed this book. The book delivers on it's promise, and provides a very nice sight seeing tour in the process
