World Heritage Sites And Indigenous Peoples Rights: IWGIA Document No. 129 (Iwgia Documents)

Synopsis

This book includes twenty case studies of World Heritage sites from around the world that explore, from a human rights perspective, indigenous peoples' experiences with World Heritage sites and with the processes of the World Heritage Convention. The book will serve as a resource for indigenous peoples, World Heritage site managers, and UNESCO, as well as academics, and it will contribute to discussions about what changes or actions are needed to ensure that World Heritage sites can play a consistently positive role for indigenous peoples, in line with the spirit of the United Nations Declaration on the Rights of Indigenous Peoples.
