# Kase-San And Shortcake

## Synopsis

A critically-acclaimed yuri manga series! Yamada may be shy and rather clumsy, but the flower gardens at her school have always brought her happiness. Suddenly, a different sort of beauty catches her eye—the vivacious track star Kase-san. Although the two girls don't seem to have much in common, they soon start a romance where each must learn an important lesson in tending their budding relationship. Can the two girls, so different from each other, learn how to make their first love blossom?

## Customer Reviews

As first love stories go, this is definitely one of my favorites. It's a strong candidate for this year's Top Ten. I hope we'll see more of Takashima Hiromi's art in the future.
