Adult Coloring Book: Whimsical Patterns: Farmers Market (Volume 3)

Synopsis

Whimsical and charming, escape into the farmers market as you discover exotic herbs and spices, antiques, tasty treats, tea and coffee, flowers, carpets, beans, jam, succulent fruits, meats, cheese, fresh veges, handmade soaps, chocolate, rare books, breads, nuts, and handcrafted brews. These imaginative and playful designs encourage self-expression and will inspire colorists to create their own special creations to make each picture uniquely their own. Illustrations are printed on one side for easy removal and display. These whimsical images offer an easy way to relax, reduce stress, and engage in the meditative and fun-filled activity of coloring. This therapeutic coloring book offers 30 delightful hand-drawn images for you to color. This coloring book for grownups can be colored with pens, pencils, markers, or crayons. Join adults all around the world and escape into the joyous world of coloring. The variety of images will engage every skill level. Happy coloring! Also available in the Whimsical Pattern series: Whimsical Patterns: Tiny Houses Whimsical Patterns: Butterflies, Birds, And Flowers Whimsical Patterns: Tiny Trailers

Customer Reviews

Ã Â This is the third coloring book in the Francis Keene coloring book series of called Whimsical Patterns. In this book, artist Evelyne Park has provided 30 designs of Farmer's Markets and items associated with them. I live very close to a wonderful Farmer's Market which is in operation from March until October. During those months, I like to spend my Saturday mornings picking up fresh

veggies and fruits and seeing what special treats (such as wonderful rosemary lemon bread, jams and jellies and fresh potted herbs and flowers) I can pick up for that week. This coloring book reminds me of our market, right down to the fun entertainment for children. I found the designs to be both cute and detailed. A few of them have smaller and more intricate areas to color. The designs are hand-drawn with the charming not quite perfect look that makes my finished projects have a unique and hand-made look. Because it is hand-drawn, the level of ink saturation on the designs from from design to design and even sometimes within a single design. This is what I discovered while coloring in this book and testing my coloring medium on the paper: 30 line drawing designs of both Farmer's Markets and items associated with them. Printed one side of the page. Paper is typical of CreateSpace: white, thin, slightly rough and non-perforated. The designs do not merge into the binding area. Most of the designs have a framing line at their outer edges. Glue Binding Alcohol-based markers bleed through the page quickly. Water-based markers bleed through in spots. Gel pens and India ink pens leave shadows on back of the page. India ink can bleed through if you apply heavily or multiple coats. Coloring Pencils work well with this paper. I found that I could layer the same color for deeper pigment or multiple colors and I could blend easily using a blending stick. I tested both oil and wax based pencils. I also found that hard lead pencils leave dents through the paper. I like to use a blotter when working in the book. I use a page of card stock or several sheets of heavyweight paper under my working page. It keeps seeping ink and marring dents from ruining the pages below.

Cute pictures.

Slightly disappointed. Paper too thin

Beautiful book to color, the pages are nice and sturdy and the images are fun to color. I am enjoying it very much!

This is by far my favorite coloring book. The pages are thick and hold color very well and gel pens do not. The pictures are so fun and each one has a different theme. I'm getting ready to go online and purchase more from this artist. I have trouble putting it down.

cute, interesting illustrations

can't wait to start coloring in this book, it looks like a lot of fun

The pictures aren't well drawn in my opinion. Really don't care for it.
