"The Art of Greek Cookery" is the quintessential Greek cookbook offering recipes for authentic Greek cuisine. The recipes are from Greek women who brought their family recipes over to America when they emigrated here. Being married to a Greek for 50 years, I tested the majority of recipes in this book during that time. When my original copy of this cookbook began to fall apart and had too many dog-eared pages from over use, I was thrilled to find MY cookbook on . I quickly placed the order and just as quickly received it. Thank you, .com for coming to my rescue. I can always count on you.

This is a great book featuring many classic Greek dishes and sometimes with several different versions/ methods of how to make them. Recipes may need tweaking of the amounts to make them work and some don't. But that's the fun in cooking new things. Book is from 1962 but is not dated, the cuisine has not changed

Best ever book on truly authentic Greek cooking. Every recipe is simply awesome. Lived in Greece for 25 years. All you need to do is try it. Just work those phyllo sheets gently and keep moist with a paper towels. This book has been around more than 40 years. Glad I found it my was coming apart.

One of the best books out there. Many recipes have several versions. Recipes can, and might likely be customized a bit to your own tastes through the years, but this book is a great fundamental starting point.

I have had "The Art of Greek Cookery" for years, and it is my all-time favorite cookbook. I've cooked more than half of the recipes, and every single one has been a winner...not just good...really memorably delicious. Of all my cookbooks, this one is the go-to for pleasing even picky eaters. The women of St. Paul's Greek Orthodox Church have produced a treasure.

Wonderful authentic Greek cookbook. I've had success with everything I've made and the the recipes were enjoyed by Greek friends who know what is authentic.

This is a great cookbook and has real authentic Greek recipes. Easy to follow recipe and the meals that we cooked taste great. I would recommend this book.

I LOVE this cook book! My Yiayia, who was straight out of Greece and came to America through Ellis Island, had one and used it all the time, after she passed away my cousin got her cook books so I searched all over for this one... all of the recipes that I have had from it are delicious and everytime I make something from it it reminds me of Yiayia :-)
