Customer Reviews

Emily Graber feels all alone after her father dies. Although she has nine brothers and sisters, she wants to stay in her home after his passing. Silas Moreland, her Englisch-turned-Amish neighbor. . . well, I'll let you read about Emily and Silas. This is very different from the usual Amish fiction stories I read. . . yet it is a compelling, compassionate story of love -- forbidden love, since Silas' wife is divorcing him. Will Emily and Silas give in to temptation? You won't know unless you read the entire series. It was easy for me to identify with Emily. If I were Amish, and in her place, what would I do? That's the question I asked myself when reading Emily's story. I hope I would make the right decision. What would you do? Enough said. Now I'm off to read book two. . .

Such a great story and so well written. You can feel the pain and love between Silas and Emily.
Can't wait for the 3rd book to appear on Kindle

Tattie takes you on the first part of this young couples love story and how that begin to overcome their broken hearts, and learn new things about themselves. You will love this book, and not regret trying out the swiss Amish community!! Happy reading!!

This is the first book I've read by Tattie. I really enjoyed this book. I really felt for both Emily & Silas. They have both lost so much. Can't wait to read book two of this series!

This book is one of those books that when you start reading you can't put the book down until you have finished the whole book. Very interesting and captivating.
