The Raven's Shadow: The Aegis Of Merlin Book 4

Synopsis

Death gathers in the shadow of the floating island. Conryu returns home after an eventful first year at school, eager for a quiet summer vacation with his best friends. Unfortunately, it is not to be. Just days after he arrives home, the Le Fay Society broadcasts its demands and his life is at the top of the list. Conryu soon finds himself on the run from the police and the only way to save himself is to hunt down those threatening the city himself. Can Conryu and his friends defeat the cunning Lady Raven before she unleashes a horde of shadow beasts on the city?

Customer Reviews

I just finished this last week so I am about caught up on my reviews. This book takes up where the last one ended which is a big plus. The page to price is a little high but if you enjoyed the other books you are getting the same quality as before. Still a little vague on the storylines world but is consistent with other books and keep adding to the picture of the world. Overall if you liked the other books why would you stop. I didn't and won't stop here with series. Even though the next book adds

a new character and a new part of the world. Have to wait and purchase when available.

Conryu has a nice little crisis and save the city. Personally the fast pace of the book was fine but the length was off. The main battle happens about 3/4 of the way through the book. Good epilogue/setup for next arc, hopefully we will have more second character development. Worth the price.

Our MC and his friends are involved in saving the City from a horde of Shadow demons and capturing the culprit. After being rewarded there is another attempt and then some of Kelsie's family are involved in some "machinations".

I love the concept of this young man being the one male wizard in a world full of female wizards and some of the social implications he has to deal with, and his incredible power very entertaining.

Started reading and could not put it down. I always excited to get the next book in the series. Highly recommend this book and the series. Each on gets better.

The book was well-paced and well-written and I can't wait to read another. This is an excellent series and I tore through it ravenously.

I really like this series, full of action and vicious creatures. Conryu is, once again, in a lot of troubles. Ride with him and enjoy it

A nice easy read for the Summer.
