Customer Reviews

This collection is awesome! The stories are fresh. The mysteries add depth and the romance is

encouraging and contains lots of twists and turns. A read well worth your time and money.

I liked all 8 stories in this 8 book set!!!! The first are mysteries about detectives solving crimes. The next stories are about a family of brothers and their Mail-Order Bride's. Enjoy, I did!!!!

Great set of books. Enjoyed each and everyone of them. They all tied together nicely. Well written and very believable.
