Customer Reviews

Lori Wick is a multifaceted author of Christian fiction. As comfortable writing period stories as she is penning contemporary works, Lori's books (more than 6 million in print) vary widely in location and time period. Lori's faithful fans consistently put her series and standalone works on the bestseller lists. Lori and her husband, Bob, live with their swiftly growing family in the Midwest. --This text refers to an out of print or unavailable edition of this title.

I'm pretty much a fan of anything Lori Wick has ever written and this is no exception. I love this series. Slater and Liberty are a fun couple. I love the innocence of these romances. There is a restrained passion between the couple that shows honor towards each other and towards God. Slater is a new Christian and has recently left his job as a Ranger to find a more permanent home where he can grow in his newfound faith. Liberty is her sheriff brother's backup whenever he needs her. The couple has a rocky start when Liberty has to arrest Slater for not relinquishing his gun and Slater refuses to pay the \$10 fine to get out of jail. Once Slater repents of his stubbornness and pride he pays up and seeks employment in town. It isn't sitting right with him that Liberty has to put

herself in danger to protect her brother. Liberty too has some pride issues in that she believes that she is the only one that can protect her brother. Even though they are attracted to each other will they both be able to yield their pride and let God do His job? Every Little Thing About You is the first book in this 3 book series. I have read them before and I'm definitely a fan of the Rawlings brothers! Next up: A Texas Sky where we read about Dakota Rawlings.

Lori Wick has a way of making you feel all warm by the end of her story. I absolutely loved the two characters in this book! Libby wasn't your typical Old West type of gal. She let us know right from the first sentence that Libby was an independent woman, yet when Slater came along, Libby began changing into the woman God wanted her to be. Though sometimes I think Mrs. Wick takes their properness a bit too far (guilt over a simple hug and kiss), I still think things are sweet. I especially enjoyed how this book ended with the last incident showing Libby just what was important in life and how wrong she had been. Though Lori has a knack of making her characters a bit TOO perfect, it still makes the story sweet. I also loved Duffy. He may have been a step father to Libby and the town sheriff, but he treated them more like he was their real father, and I liked that. I liked that Libby's mother was still "young" and able to have children. It really added something to the story. There was nothing "little" about "Every Little Thing About You." And I loved how that phrase was incorporated in at the end of the story...

Lori Wicks is one of my favorite authors. This book is a very well written story of 2 Christians who have to make some life changes and grow personally. It is a great story and one I will recommend to friends.

Lori Wick is a master story teller! I love this series and these three brothers. I pray that if i have the privilege of marriage that my husband is as fine and godly man as Slater and Duffy.

I really enjoy this book, and have read it multiple times. I especially like the spunky heroine and the thoughtful hero. There are excellent dynamics in both families. I do feel that the hero had more apologizing that he needed to do towards the end, and also that the end fizzled out a bit; however, this was such a heartwarming romance that these flaws are easily forgiven.

I enjoyed it very cute and likable characters, seemed a bit repetitive at times but overall entertaining and a good read

I really enjoyed this clean romantic love story. The characters were wonderful. The story sweet. Definitely worth your time to read.

I enjoyed this book very much, although I had to read it in bits and pieces because of circumstances going on in my life. I usually don't start a book until I can devote more time to it. I liked Liberty and Slater' s story very much. I have read most of Lori Wick' s books and they never disappoint!
