In Lincoln's Footsteps: A Historical Guide To The Lincoln Sites In Illinois, Indiana, And Kentucky

Synopsis

If you admire Abraham Lincoln, this guide will take you to the places he lived and worked, laughed and loved, and wept. Follow in Lincoln's footsteps to the log cabin where he was born, to the Indiana frontier where he grew to manhood, to the places where he built his career in law and rose to become sixteenth President of the United States. The book features more than 25 sites, including a fascinating summary of historical events that took place at each site and a detailed description of the site as it is today. This is the ultimate guide for travelers seeking a greater appreciation for the lands of Lincoln. --This text refers to an out of print or unavailable edition of this title.

Book Information

Paperback: 224 pages

Publisher: Prairie Oak Pr (February 1991)

Customer Reviews

Don Davenport has been a full-time travel writer for more than 20 years. Author of eight books, Davenport is the recipient of the 1989 Mark Twain Award, presented by the Midwest Travel Writers Association for the year's best travel book, Fodor's Michigan, Wisconsin, Minnesota. He grew up in Lincoln country -- Illinois. Davenport currently lives in Monroe, Wisconsin, with his wife, one dog and three cats. --This text refers to an out of print or unavailable edition of this title.

I plan to travel to some of the Lincoln sites this fall, so needed a comprehensive guide to pick the first choices to visit.

It's a good book. But, sadly didn't meet my needs for what I was researching.

This is simply a marvelous book. I picked up an earlier edition a few years ago and still refer to it quite often for my own research into Lincoln. As Mr. Davenport stated in that edition, the book is a travel guide, not a biography. However, because of the fact that it is so well-researched and full of detail, it could almost pass for a biographical overview, especially of Lincoln's life in Kentucky, Indiana and Illinois, prior to his presidency. I highly recommend this book for any Lincoln admirer, those who have a mild interest in the subject and especially for those who want to learn more. With Lincoln, there's always more to learn!

Great book and is very informative will use on upcoming trip
