Karen Kingsbury Sunrise CD Collection: Sunrise, Summer, Someday, Sunset (Sunrise Series)

Synopsis

Before their wedding, Katy Hart and Dayne Matthews face what may be their greatest challenge. Is it possible for Katy to find a place in Dayne's world? Amid wedding plans and other family news, John Baxter feels the hope of a breathtaking sunrise for the first time since Elizabeth's death. Meanwhile, the Flanigan family is struggling with their young boarder, Cody Coleman. Katy wins the part in Dayne's next film and is cast opposite her super-star husband. By the time they finish filming the movie, they feel cracks around the edges of their marriage. The Baxter family learns that Ashley and Kari are both pregnant, but an ultrasound reveals that something is wrong with one of the babies. The Flanigans continue to draw closer to their only daughter, yet Bailey struggles to find her way amidst the turmoil of adolescence. Pressures of the celebrity lifestyle weigh heavily on Dayne and Katy Matthews as they take on separate movie projects. The Flanigan family recognizes the deep loss of the Christian Kids Theater, and they begin to pray for a miracle. John Baxter takes the next step in his relationship with Elaine, giving him a season to contemplate selling the Baxter house. Dayne and Katy Matthews continue to adjust to life in Bloomington as they look forward to a new chapter together—expanding their family. The Flanigans receive tragic news that weighs heavily on everyone's mind. As John Baxter prepares for his marriage to Elaine Denning, one of the Baxters enters the most trying season of all.

Her emotionally gripping titles include the popular Redemption series, the Firstborn series, Divine, One Tuesday Morning, Beyond Tuesday Morning, Oceans Apart, and A Thousand Tomorrows. I love the story and the narrator does a fantastic job reading. However, I was disappointed to find that disk 3 of the 2nd boom "Summer" was missing. Disk 3 of the first book was an after market copy, but at least the entire story was there. I realized the missing disk 6 days after my "eligible to return" date. As I was listening to the previous segment of books, the Firstborn Collection (which was great too).

Great book!

My husband and I both love Karen Kingsbury's books. We do CD's as my husband's eyes are too bad to read. Just finished the Sunrise series and are now listening to "Coming Home". I usually read the books but had picked up some CD's at a truckstop when they were on sale. Made the mistake of playing one when my husband was with me. Now we are buying them on CD's because he looks forward to the next one as much as I do. The sunrise series was a great buy as the whole series came together from . It would be so nice if all her series came this way. I had already purchased the "Bailey Flannegan" series on my kindle fire before I discovered my husband liked them so much, guess now will have to buy them on CD's also.

Great Stories! very pleased with product!

I really like the cd package of these books. I had a 16 hour trip (there and back) and listening to the cds was very helpful. It also helps that Karen Kingsbury is a Christian so I do not have to find out after I listening to the cds some of the worse language. Did not have to worry about that here.

I have listen to one of the books so far really enjoyed it

I didn't even realize that this was a continuation of the Firstborn series. I just happened to listen in that order. I love the audiobooks because I can "read" a story while I clean house or drive. This is a very engaging series. Good life lessons, too.

To religious..
