Explore Shanghai: The Best Routes Around The City

Synopsis

Glamorous Shanghai is one of the most exciting cities in the world, where the remnants of a fascinating history collide with the rapidly expanding skyline of a modern economic powerhouse. Explore Shanghai is part of a brand-new series and is the ideal pocket companion when discovering this dynamic and atmospheric city: a full-color guide containing 15 easy-to-follow routes which lead you from the famous waterfront Bund and Old City neighborhoods to Pudong's glittering skyscrapers, and out to the beautifully landscaped gardens of Suzhou and Hangzhou. Insight's trademark cultural coverage perfectly sets the routes in context, with introductions to Shanghai's cuisine, architecture, and history. The best places to eat and drink are highlighted in each route and in the directory section, which also contains a wealth of practical information, including our selection of hotels to suit all budgets. All routes are plotted on the useful pull-out map, and evocative photography captures the essence of the city.

Customer Reviews

In 2013, Shanghai implemented a visa waiver system for visitors from countries including the US, allowing tourists to spend up to three days in the city without a visa, making this dynamic city an even more appealing stopover destination; the brand-new Explore Shanghai is the perfect companion to a visit, with 15 recommended routes around the city and the best excursions from it.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

The routes are fine, but there are too little information about the places along the routes.
