This is a nice Ukulele chord chart. I wish the title at the top of the chart had smaller letters and there where more chords on the chart. I really like the way that you can see how to place your fingers on the strings.

Hangs right in my daughter's room next to her bed where she practices! I love that it has the fret board images and the finger placement along side it!

Great for a beginner or for reminders. Bought it for my daughter while she's learning.

Nice big chord chart for the ukulele. I think the pictures of the instruments look nice, but without them the chord section could have been even bigger. Overall, it is a very good product.

I needed a poster that had ukulele chords for quick reference and this is perfect. I dry-mounted it onto foam core so I can take it from room to room as needed.

I wish the chords pics were bigger. I don't need header or side pics of Ukes.

Nice poster

Perfect easy to understand chord chart. It's very self explanatory for a new Uke player. I would buy it again.
