Enjoy a magical Maui vacation Plan your perfect island adventure on Maui. Go beach hopping or boutique shopping. Party into the night or watch the sun rise over a volcanic crater. Go snorkeling, scuba diving, or surfing or simply sip the perfect mai tai on a beautiful beach. This friendly guide not only gives you the scoop, it gets you in the refreshing aloha spirit. Open the book and find:

- Down-to-earth trip-planning advice
- What you shouldn't miss and what you can skip
- The best hotels and restaurants for every budget
- Lots of detailed maps

Cheryl Farr Leas may live on the mainland, but she's a Hawaii girl at heart. She fell in love with Diamond Head, aloha wear, and mai tais in 1994 and has had trouble staying away ever since. Whenever she's not on the islands, she and her husband, Rob, make their home in Phoenix, Arizona, where they love to hike the desert mountains with their German Shepherd, Caleb. Before embarking on a writing career, Cheryl served as senior editor at Macmillan Travel (now Wiley), where she edited the Frommer's Hawaii travel guides for the better part of the

1990s. Now happy to be a globetrotting branding consultant and writer, Cheryl also writes Hawaii For Dummies.

Going to Maui in August and this book has prepped us. Book was in great condition, and will help us through our vacation.

This book helped make our vacation in Maui super fun and easy to navigate!

Very informative for my trip to Hawaii. Lots of information!

Very helpful and easy to use

Met My expectations

Not as detailed info as other travel books. Was somewhat useful. Did not use much to plan our activities on trip.

Used this book in Maui. Very helpful

While this is good reading, it is vague at times and outdated. The copyright is 2007 which is very deceiving for an online purchase. However, there are some good points made like avoid the malls that have sprung up over the years. My last visit to Maui was in 1979 when the island was nice and quiet and a place to just chill no matter where you went. I get the impression it is no longer like that all over the island. It has been built up and Walmart, Lowes and the likes have become an island mainstay but there should still be places to seek out and explore.
