Customer Reviews

Pretty horrible a couple of paragraphs on each of the top 10. Not much detail at all. No places to go, restaurants to visit. I would recommend this to nobody

Really not worth buying. You can get just as good or better from free websites like trip advisor. Very disappointing.

Great guide of Crete highlights

This travel guide is straight and to the point. The author easily notes ten places to visit in Crete by listing a short history followed with attractions and activities to do in that area.
