The Prayer Of Jabez For Teens (Breakthrough Series)

Synopsis

Today's teenagers are learning to pray, and this tool is for them! The impact of The Prayer of Jabez has been phenomenal -- with reports of changed lives, expanded ministries, and massive spiritual breakthroughs among believers everywhere. Now teens can also receive extravagant blessing as they discover, in peer-based stories, supporting scriptures, and interactive questions, how to pray the remarkable prayer of the obscure Bible hero in I Chronicles 4:10. Teens seeking God's best for their lives will respond to the challenge of asking for blessing -- and being "blessable" before the Lord. Students, youth groups, and future church leaders will welcome The Prayer of Jabez for Teens. Includes group study leader's guide!

Customer Reviews

Even some who are unmoved by The Prayer of Jabez and The Prayer of Jabez for Kids (reviewed above) may genuinely appreciate the teen adaptation. Like its parent, this version is a sermon for those already committed to evangelical beliefs. In style and substance, however, it improves upon the original. Here the promised blessings are clearly spiritual: "Please, Lord, expand my opportunities... because I want to touch more lives for You." The authors distinguish miracles from magic and link the Old Testament prayer to Christian teaching. The Jabez prayer itself, with its pleas for blessing and expansion, seems particularly appropriate for young adults facing major life

decisions. Despite a surfeit of exclamation points, the writing is simple and direct. A 10-page study guide is a further lure to youth groups who, it's safe to predict, will buy this one by the truckload. Ages 12-up. Copyright 2001 Cahners Business Information, Inc.

Very good. Excellent lessons for teens. I would recommend it for youth leaders to use with teens. I would buy again for others.

I read all the books that come in for the tweens and the teens. This was really a good book, in fact I made a poster with the prayer of JABEZ on it and placed on the bulletin boards in the church.

This is a great teen specific version of the original. It applies to any age or stage of life.

Wonderful book even if you are no longer a teen. It challenges you to trust God and see the awesome works he can accomplish when you let him take control of your life!

Fabulous book, so many big answers packed into a small read, perfect for my teens!

This is an awesome book for any teen to read and will help them to grow in their prayer life. It also shows us all how God works through prayer. I think every youth pastor, minister, and parent should also own a copy of this book. It is a great resource to help us educate teens and ourselves.

Great book

What's not to like about a Bible story. Strengthen your faith through prayer as Jabez did.
